

LANDSCAPE ARCHITECT / DESIGNER

We'd rather jump to getting to know you, but I guess we should probably introduce ourselves...

We are civil engineers, traffic and transportation engineers and landscape architects serving the Midwest design and construction Industry. We work out of offices in Illinois, Wisconsin and Indiana. We serve clients across a wide variety of market areas, including urban redevelopment, residential, healthcare, commercial, K-12 education, higher education, industrial, and parks and recreation.

WE'RE LOOKING FOR A SKILLED LANDSCAPE ARCHITECT/LANDSCAPE DESIGNER TO JOIN US IN CHICAGO, IL.

A SNAPSHOT OF A DAY IN THE LIFE OF A LANDSCAPE ARCHITECT/LANDSCAPE DESIGNER:

- Under the guidance of the Director of Landscape Architecture, collaborate with a diverse team of engineering colleagues, as well as our architecture, development, and owner clients on projects across all of our market areas
- Channel your inner artist to develop designs through sketches, drawings, diagrams, exhibits, and graphics
- Exercise your teamwork skills to help with conceptual planning, site analysis, design, and to produce construction plans and specifications
- Prepare exhibits and project documentation throughout all design phases, including landscape design, planting plans, landscape details and specifications, site grading, planting concepts, planting design, and land use layouts for facilities and buildings
- Step out of the office to perform plant and tree identification, and visit our client's construction sites to review time-sensitive field changes

YOU WILL BE SUCCESSFUL IN THIS ROLE IF:

- You've done this before, and have 1 plus years of professional experience in landscape design
- You're familiar with AutoCAD, Land-FX, SketchUp, Photoshop, and InDesign
- You're often asked by friends how to bring their plants back to life because you have knowledge of Midwest plants, and are pursuing your registration as a Landscape Architect in the immediate future
- You are comfortable presenting your ideas in client meetings, and in public forums, including municipal reviews and town hall meetings
- You aced your art classes, and are confident in your sketching and hand drafting skills
- You are seeking regular professional development training to grow your "real world" experience
- You understand the importance of being a trusted advisor to our clients by being responsive and producing high-quality work

YOU WILL THRIVE HERE IF:

- You are successful in a team setting
- You are motivated and have professional goals
- You have superb verbal and written communications skills
- You like raising your hand and volunteer to take on tasks before you are asked
- You are comfortable interacting with potential clients and firm leaders
- You think fast and are able to handle challenging moments (we all have them) and deadlines

DOES THIS SOUND LIKE YOU? LET US KNOW IF YOU'RE READY FOR A CHALLENGE.
