

DESIGN ENGINEER

We'd rather jump to getting to know you, but we should probably introduce ourselves...

We are civil engineers, traffic and transportation engineers and landscape architects serving the Midwest design and construction industry. We work out of three main offices in Grayslake, Illinois; Chicago, Illinois; and Milwaukee, Wisconsin; with a satellite office in Mokena, Illinois.

WE'RE LOOKING FOR A DESIGN ENGINEER TO JOIN US IN CHICAGO, GRAYSLAKE OR MILWAUKEE.

A SNAPSHOT OF A DAY IN THE LIFE OF A DESIGN ENGINEER:

- Help your project engineer/ manager help our clients by identifying possible cost savings through our designs
- Share ideas with fellow team members on how to better implement AutoCAD/Civil3D software into designs
- Step out of the office to go to construction sites to review time-sensitive field changes
- Participate on project conference calls with architects, owners, contractors, and other engineers
- Share your best drafting techniques with your peers and the reasons why your favorite hydrologic modeling software is the best
- Check in with your regular contacts at permitting agencies to make sure your approvals are on the way

YOU WILL BE SUCCESSFUL IN THIS ROLE IF:

- You'd like to use your hard-earned engineering degree for more than just number crunching
- You like to get your hands dirty. Digging into details, executing calculations, problem solving through analysis, and foreseeing problems are your strengths
- You want to learn more about how civil engineering positively influences the built environment
- You understand the importance of being a trusted advisor to our clients by being responsive and producing high-quality work
- You're adept at AutoCAD Civil 3D or similar CAD platforms
- You recently rocked your Fundamentals of Engineering (FE) exam, or are so close to passing it you've already planned your "pass party"

YOU WILL THRIVE HERE IF:

- You possess an entrepreneurial attitude and are comfortable in a team environment
- You are more than just an engineer and like doing things to remind yourself of that
- You like raising your hand and volunteer to take on tasks before you are asked
- You are comfortable interacting with fellow professionals and outside agencies
- You think fast and are able to handle challenging moments (we all have them) and deadline

DOES THIS SOUND LIKE **YOU?**
LET US KNOW IF YOU'RE READY FOR **A CHALLENGE.**
